1. The United States Bankruptcy Court for the Southern District of Texas (the “Court”) has jurisdiction over this matter pursuant to 28 U.S.C. §§ 157 and 1334. This matter is a core proceeding within the meaning of 28 U.S.C. § 157(b)(2). The Debtors confirm their consent to entry of a final order by the Court.

2. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

3. The bases for the relief requested herein are sections 327(a) and 330 of title 11 of the United States Code (the “Bankruptcy Code”), rules 2014(a) and 2016 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), and rules 2014-1 and 2016-1 of the Local Bankruptcy Rules for the Southern District of Texas (the “Bankruptcy Local Rules”).

5. The Debtors are operating their businesses and managing their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. On February 11, 2021, the Court entered an order [Docket No. 27] authorizing procedural consolidation and joint administration of these chapter 11 cases pursuant to Bankruptcy Rule 1015(b) and Bankruptcy Local Rule 1015-1. No request for the appointment of a trustee or examiner has been made in these chapter 11 cases, and no official committees have been appointed or designated.

S.D. Tex.) (collectively, the “Seadrill Partners Cases”). The Debtors do not intend to seek joint administration of these chapter 11 cases with the Seadrill Partners Cases.

Kirkland’s Qualifications

8. The Debtors seek to retain Kirkland because of Kirkland’s recognized expertise and extensive experience and knowledge in the field of debtors’ protections, creditors’ rights, and business reorganizations under chapter 11 of the Bankruptcy Code.

It is intended that the services of Cravath shall complement, and not duplicate, the services to be rendered by Kirkland. Moreover, the responsibilities of Cravath shall be confined to discrete legal matters that are distinct from the matters handled by Kirkland. 10. In preparing for its representation of the Debtors in these chapter 11 cases, Kirkland has become familiar with the Debtors' businesses and many of the potential legal issues that may arise in the context of these chapter 11 cases. The Debtors believe that Kirkland is both well-qualified and uniquely able to represent the Debtors in these chapter 11 cases in an efficient and timely manner.

Services to be Provided

11. Subject to further order of the Court, and consistent with the Engagement Letter, the Debtors request the retention and employment of Kirkland to render the following legal services:

⁵ Because of the voluminous nature of the orders cited in this Application, they are not attached to this Application. Copies of these orders are available upon request to Kirkland.

- a. advising the Debtors with respect to their powers and duties as debtors in possession in the continued management and operation of their businesses and properties;
- b. advising and consulting on the conduct of these chapter 11 cases, including all of the legal and administrative requirements of operating in chapter 11;
- c. attending meetings and negotiating with representatives of creditors and other parties in interest;
- d. taking all necessary actions to protect and preserve the Debtors' estates, including prosecuting actions on the Debtors' behalf, defending any action commenced against the Debtors, and representing the Debtors in negotiations concerning litigation in which the Debtors are involved, including objections to claims filed against the Debtors' estates;
- e. preparing pleadings in connection with these chapter 11 cases, including motions, applications, answers, orders, reports, and papers necessary or otherwise beneficial to the administration of the Debtors' estates;
- f. representing the Debtors in connection with obtaining authority to continue using cash collateral and postpetition financing;
- g. advising the Debtors in connection with any potential sale of assets;
- h. appearing before the Court and any appellate courts to represent the interests of the Debtors' estates;
- i. advising the Debtors regarding tax matters;
- j. taking any necessary action on behalf of the Debtors to negotiate, prepare, and obtain approval of a disclosure statement and confirmation of a chapter 11 plan and all documents related thereto; and
- k. performing all other necessary legal services for the Debtors in connection with the prosecution of these chapter 11 cases, including: (i) analyzing the Debtors' leases and contracts and the assumption and assignment or rejection thereof; (ii) analyzing the validity of liens against the Debtors; and (iii) advising the Debtors on corporate and litigation matters.

Professional Compensation

12. Kirkland intends to apply for compensation for professional services rendered on an hourly basis and reimbursement of expenses incurred in connection with these chapter 11 cases, subject to the Court's approval and in compliance with applicable provisions of the Bankruptcy

Code, the Bankruptcy Rules, the Bankruptcy Local Rules, and any other applicable procedures and orders of the Court. The hourly rates and corresponding rate structure Kirkland will use in these chapter 11 cases are the same as the hourly rates and corresponding rate structure that Kirkland uses in other restructuring matters, as well as similar complex corporate, securities, and litigation matters whether in court or otherwise, regardless of whether a fee application is required. These rates and the rate structure reflect that such restructuring and other complex matters typically are national in scope and involve great complexity, high stakes, and severe time pressures.

13. Kirkland operates in a national marketplace for legal services in which rates are driven by multiple factors relating to the individual lawyer, his or her area of specialization, the firm's expertise, performance, and reputation, the nature of the work involved, and other factors.

14. Kirkland's current hourly rates for matters related to these chapter 11 cases range as follows:⁶

| Billing Category⁷ | U.S. Range |
|-------------------------------------|-------------------|
| Partners | \$1,080-\$1,895 |
| Of Counsel | \$625-\$1,845 |
| Associates | \$625-\$1,195 |
| Paraprofessionals | \$255-\$475 |

15. Kirkland's hourly rates are set at a level designed to compensate Kirkland fairly for the work of its attorneys and paraprofessionals and to cover fixed and routine expenses. Hourly

⁶ For professionals and paraprofessionals residing outside of the U.S., hourly rates are billed in the applicable currency. When billing a U.S. entity, such foreign rates are converted into U.S. dollars at the then applicable conversion rate. After converting these foreign rates into U.S. dollars, it is possible that certain rates may exceed the billing rates listed in the chart herein. While the rate ranges provided for in this Application may change if an individual leaves or joins Kirkland, if any such individual's billing rate falls outside the ranges disclosed above, Kirkland does not intend to update the ranges for such circumstances.

⁷ Although Kirkland does not anticipate using contract attorneys during these chapter 11 cases, in the unlikely event that it becomes necessary to use contract attorneys, Kirkland will not charge a markup to the Debtors with respect to fees billed by such attorneys. Any contract attorneys or non-attorneys who are employed by the Debtors in connection with work performed by Kirkland will be subject to conflict checks and disclosures in accordance with the requirements of the Bankruptcy Code.

rates vary with the experience and seniority of the individuals assigned. These hourly rates are subject to periodic adjustments to reflect economic and other conditions.⁸

16. Kirkland represented the Debtors during the twelve-month period before the Petition Date, using the hourly rates listed above and in the Kwasteniet Declaration. Moreover, these hourly rates are consistent with the rates that Kirkland charges other comparable chapter 11 clients, regardless of the location of the chapter 11 case.

17. The rate structure provided by Kirkland is appropriate and not significantly different from (a) the rates that Kirkland charges for other similar types of representations or (b) the rates that other comparable counsel would charge to do work substantially similar to the work Kirkland will perform in these chapter 11 cases.

18. It is Kirkland's policy to charge its clients in all areas of practice for identifiable, non-overhead expenses incurred in connection with the client's case that would not have been incurred except for representation of that particular client. It is also Kirkland's policy to charge its clients only the amount actually incurred by Kirkland in connection with such items. Examples of such expenses include postage, overnight mail, courier delivery, transportation, overtime expenses, computer-assisted legal research, photocopying, airfare, meals, and lodging.

19. To ensure compliance with all applicable deadlines in these chapter 11 cases, from time to time Kirkland utilizes the services of overtime secretaries. Kirkland charges fees for these services pursuant to the Engagement Letter, which permits Kirkland to bill the Debtors for

⁸ For example, like many of its peer law firms, Kirkland typically increases the hourly billing rate of attorneys and paraprofessionals twice a year in the form of: (i) step increases historically awarded in the ordinary course on the basis of advancing seniority and promotion and (ii) periodic increases within each attorney's and paraprofessional's current level of seniority. The step increases do not constitute "rate increases" (as the term is used in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases*, effective November 1, 2013). As set forth in the Order, Kirkland will provide ten business-days' notice to the Debtors, the U.S. Trustee, and any official committee before implementing any periodic increases, and shall file any such notice with the Court.

overtime secretarial charges that arise out of business necessity. In addition, Kirkland professionals also may charge their overtime meals and overtime transportation to the Debtors consistent with prepetition practices.

20. Kirkland currently charges the Debtors \$0.16 per page for standard duplication in its offices in the United States. Kirkland does not charge its clients for incoming facsimile transmissions. Kirkland has negotiated a discounted rate for Westlaw computer-assisted legal research. Computer-assisted legal research is used whenever the researcher determines that using Westlaw is more cost effective than using traditional (non-computer assisted legal research) techniques.

Compensation Received by Kirkland from the Debtors

21. Per the terms of the Engagement Letter, on August 21, 2020, the Debtors paid \$5,000,000.00 to Kirkland, which, as stated in the Engagement Letter, constituted an “advance payment retainer” as defined in Rule 1.15(c) of the Illinois Rules of Professional Conduct and *Dowling v. Chicago Options Assoc., Inc.*, 875 N.E.2d 1012, 1018 (Ill. 2007). Subsequently, the Debtors paid to Kirkland additional advance payment retainer totaling \$10,000,000.00 in the aggregate. As stated in the Engagement Letter, any advance payment retainer is earned by Kirkland upon receipt, any advance payment retainer becomes the property of Kirkland upon receipt, the Debtors no longer have a property interest in any advance payment retainer upon Kirkland’s receipt, any advance payment retainer will be placed in Kirkland’s general account and will not be held in a client trust account, and the Debtors will not earn any interest on any advance payment retainer.⁹

⁹ The Engagement Letter permits Kirkland to retain any prepetition advance payment retainer held by Kirkland as of the Petition Date rather than applying such prepetition advance payment retainer to pay postpetition fees and expenses. In light of the facts and circumstances of these chapter 11 cases, Kirkland will retain any prepetition

22. Pursuant to Bankruptcy Rule 2016(b), Kirkland has neither shared nor agreed to share (a) any compensation it has received or may receive with another party or person, other than with the partners, associates, and contract attorneys associated with Kirkland or (b) any compensation another person or party has received or may receive.

23. As of the Petition Date, the Debtors did not owe Kirkland any amounts for legal services rendered before the Petition Date. Although certain expenses and fees may have been incurred but not yet applied to Kirkland's advance payment retainer, the amount of Kirkland's advance payment retainer always exceeded any amounts listed or to be listed on statements describing services rendered and expenses incurred (on a "rates times hours" and "dates of expenses incurred" basis) prior to the Petition Date.

Kirkland's Disinterestedness

24. To the best of the Debtors' knowledge and as disclosed herein and in the Kwasteniet Declaration, (a) Kirkland is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code, as required by section 327(a) of the Bankruptcy Code, and does not hold or represent an interest adverse to the Debtors' estates and (b) Kirkland has no connection to the Debtors, their creditors, or other parties in interest, except as may be disclosed in the Kwasteniet Declaration.

25. Kirkland will review its files periodically during the pendency of these chapter 11 cases to ensure that no conflicts or other disqualifying circumstances exist or arise. If any new relevant facts or relationships are discovered or arise, Kirkland will use reasonable efforts to

advance payment retainer held by Kirkland as of the Petition Date and will not apply any such amounts to postpetition fees and expenses.

identify such further developments and will promptly file a supplemental declaration, as required by Bankruptcy Rule 2014(a).

Supporting Authority

26. The Debtors seek retention of Kirkland as their attorneys pursuant to section 327(a) of the Bankruptcy Code, which provides that a debtor, subject to Court approval:

[M]ay employ one or more attorneys, accountants, appraisers, auctioneers, or other professional persons, that do not hold or represent an interest adverse to the estate, and that are disinterested persons, to represent or assist the [debtor] in carrying out the [debtor]'s duties under this title.

11 U.S.C. § 327(a).

27. Bankruptcy Rule 2014(a) requires that an application for retention include:

[S]pecific facts showing the necessity for the employment, the name of the [firm] to be employed, the reasons for the selection, the professional services to be rendered, any proposed arrangement for compensation, and, to the best of the applicant's knowledge, all of the [firm's] connections with the debtor, creditors, any other party in interest, their respective attorneys and accountants, the United States trustee, or any person employed in the office of the United States trustee.

Fed. R. Bankr. P. 2014.

28. The Debtors submit that for all the reasons stated above and in the Kwasteniet Declaration, the retention and employment of Kirkland as counsel to the Debtors is warranted. Further, as stated in the Kwasteniet Declaration, Kirkland is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code, as required by section 327(a) of the Bankruptcy Code, and does not hold or represent an interest adverse to the Debtors' estates and has no connection to the Debtors, their creditors, or other parties in interest, except as may be disclosed in the Kwasteniet Declaration.

Notice

29. The Debtors will provide notice of this Motion to: (a) the Office of the United States Trustee for the Southern District of Texas; (b) entities listed as holding the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) counsel to the ad hoc group of the Debtors' senior secured credit facilities; (d) counsel to the CoCom; (e) counsel to the ad hoc group of holders of the Debtors' senior secured notes; (f) the Office of the United States Attorney for the Southern District of Texas; (g) the state attorneys general for states in which the Debtors conduct business; (h) the Internal Revenue Service; (i) the Securities and Exchange Commission; (j) the Environmental Protection Agency and similar state environmental agencies for states in which the Debtors conduct business; (k) any party that has requested notice pursuant to Bankruptcy Rule 2002; and (l) any other party entitled to notice pursuant to Local Rule 9013-1(d). A copy of this Application is also available on the website of the Debtors' notice and claims agent at <http://cases.primeclerk.com/SeadrillLimited>. In light of the nature of the relief requested, the Debtors submit that no other or further notice is required.

WHEREFORE, the Debtors respectfully request that the Court enter the Order, substantially in the form attached hereto, granting the relief requested herein and granting such other relief as is just and proper.

I believe that Kirkland is both well-qualified and uniquely able to represent the Debtors in these chapter 11 cases in an efficient and timely manner.

Services to Be Provided

7. Subject to further order of the Court and that certain engagement letter dated July 24, 2020, as supplemented on August 19, 2020 (together, the "Engagement Letter"), a copy of which is attached as Exhibit 1 to the Order, the Debtors retained Kirkland to render, without limitation, the following legal services:

⁴ Because of the voluminous nature of the orders cited in this Declaration, they are not attached to this Declaration. Copies of these orders are available upon request to Kirkland.

- a. advising the Debtors with respect to their powers and duties as debtor in possession in the continued management and operation of its businesses and properties;
- b. advising and consulting on the conduct of these chapter 11 cases, including all of the legal and administrative requirements of operating in chapter 11;
- c. attending meetings and negotiating with representatives of creditors and other parties in interest;
- d. taking all necessary actions to protect and preserve the Debtors' estates, including prosecuting actions on the Debtors' behalf, defending any action commenced against the Debtors, and representing the Debtors in negotiations concerning litigation in which the Debtors are involved, including objections to claims filed against the Debtors' estates;
- e. preparing pleadings in connection with these chapter 11 cases, including motions, applications, answers, orders, reports, and papers necessary or otherwise beneficial to the administration of the Debtors' estates;
- f. representing the Debtors in connection with obtaining authority to continue using cash collateral and postpetition financing;
- g. advising the Debtors in connection with any potential sale of assets;
- h. appearing before the Court and any appellate courts to represent the interests of the Debtors' estates;
- i. advising the Debtors regarding tax matters;
- j. taking any necessary action on behalf of the Debtors to negotiate, prepare, and obtain approval of a disclosure statement and confirmation of a chapter 11 plan and all documents related thereto; and
- k. performing all other necessary legal services for the Debtors in connection with the prosecution of these chapter 11 cases, including: (i) analyzing the Debtors' leases and contracts and the assumption and assignment or rejection thereof; (ii) analyzing the validity of liens against the Debtors; and (iii) advising the Debtors on corporate and litigation matters.

Professional Compensation

8. Kirkland intends to apply for compensation for professional services rendered on an hourly basis and reimbursement of expenses incurred in connection with these chapter 11 cases, subject to the Court's approval and in compliance with applicable provisions of the Bankruptcy

Code, the Bankruptcy Rules, the Bankruptcy Local Rules, and any other applicable procedures and orders of the Court. The hourly rates and corresponding rate structure Kirkland will use in these chapter 11 cases are the same as the hourly rates and corresponding rate structure that Kirkland uses in other debtor representations, and are comparable to the hourly rates and corresponding rate structure that Kirkland uses for complex corporate, securities, and litigation matters whether in court or otherwise, regardless of whether a fee application is required. These rates and the rate structure reflect that such restructuring and other complex matters typically are national in scope and involve great complexity, high stakes, and severe time pressures.

9. Kirkland operates in a national marketplace for legal services in which rates are driven by multiple factors relating to the individual lawyer, his or her area of specialization, the firm's expertise, performance, and reputation, the nature of the work involved, and other factors.

10. Kirkland's current hourly rates for matters related to these chapter 11 cases range as follows:⁵

| Billing Category⁶ | U.S. Range |
|-------------------------------------|-------------------|
| Partners | \$1,080-\$1,895 |
| Of Counsel | \$625-\$1,845 |
| Associates | \$625-\$1,195 |
| Paraprofessionals | \$255-\$475 |

-
- ⁵ For professionals and paraprofessionals residing outside of the U.S., hourly rates are billed in the applicable currency. When billing a U.S. entity, such foreign rates are converted into U.S. dollars at the then applicable conversion rate. After converting these foreign rates into U.S. dollars, it is possible that certain rates may exceed the billing rates listed in the chart herein. While the rate ranges provided for in this Application may change if an individual leaves or joins Kirkland, and if any such individual's billing rate falls outside the ranges disclosed above, Kirkland does not intend to update the ranges for such circumstances.
- ⁶ Although Kirkland does not anticipate using contract attorneys during these chapter 11 cases, in the unlikely event that it becomes necessary to use contract attorneys, Kirkland will not charge a markup to the Debtors with respect to fees billed by such attorneys. Moreover, any contract attorneys or non-attorneys who are employed by the Debtors in connection with work performed by Kirkland will be subject to conflict checks and disclosures in accordance with the requirements of the Bankruptcy Code.

11. Kirkland's hourly rates are set at a level designed to compensate Kirkland fairly for the work of its attorneys and paralegals and to cover fixed and routine expenses. Hourly rates vary with the experience and seniority of the individuals assigned. These hourly rates are subject to periodic adjustments to reflect economic and other conditions.⁷

12. It is Kirkland's policy to charge its clients in all areas of practice for identifiable, non-overhead expenses incurred in connection with the client's case that would not have been incurred except for representation of that particular client. It is also Kirkland's policy to charge its clients only the amount actually incurred by Kirkland in connection with such items. Examples of such expenses include postage, overnight mail, courier delivery, transportation, overtime expenses, computer-assisted legal research, photocopying, airfare, meals, and lodging.

13. To ensure compliance with all applicable deadlines in these chapter 11 cases, Kirkland utilizes the services of overtime secretaries. Kirkland charges fees for these services pursuant to the Engagement Letter between Kirkland and the Debtors, which permits Kirkland to bill the Debtors for overtime secretarial charges that arise out of business necessity. In addition, Kirkland professionals also may charge their overtime meals and overtime transportation to the Debtors consistent with prepetition practices.

14. Kirkland currently charges the Debtors \$0.16 per page for standard duplication in its offices in the United States. Kirkland does not charge its clients for incoming facsimile

⁷ For example, like many of its peer law firms, Kirkland typically increases the hourly billing rate of attorneys and paraprofessionals twice a year in the form of: (i) step increases historically awarded in the ordinary course on the basis of advancing seniority and promotion and (ii) periodic increases within each attorney's and paraprofessional's current level of seniority. The step increases do not constitute "rate increases" (as the term is used in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases*, effective November 1, 2013). As set forth in the Order, Kirkland will provide ten business days' notice to the Debtors, the U.S. Trustee, and any official committee before implementing any periodic increases, and shall file such notice with the Court.

transmissions. Kirkland has negotiated a discounted rate for Westlaw computer-assisted legal research. Computer-assisted legal research is used whenever the researcher determines that using Westlaw is more cost effective than using traditional (non-computer assisted legal research) techniques.

Compensation Received by Kirkland from the Debtors

15. Per the terms of the Engagement Letter, on August 21, 2020, the Debtors paid \$5,000,000.00 to Kirkland, which, as stated in the Engagement Letter, constituted an “advance payment retainer” as defined in Rule 1.15(c) of the Illinois Rules of Professional Conduct and *Dowling v. Chicago Options Assoc., Inc.*, 875 N.E.2d 1012, 1018 (Ill. 2007). Subsequently, the Debtors paid to Kirkland additional advance payment retainer totaling \$10,000,000.00 in the aggregate. As stated in the Engagement Letter, any advance payment retainer is earned by Kirkland upon receipt, any advance payment retainer becomes the property of Kirkland upon receipt, the Debtors no longer have a property interest in any advance payment retainer upon Kirkland’s receipt, any advance payment retainer will be placed in Kirkland’s general account and will not be held in a client trust account, and the Debtors will not earn any interest on any advance payment retainer.⁸

16. As of the Petition Date, the Debtors did not owe Kirkland any amounts for legal services rendered before the Petition Date. Although certain expenses and fees may have been incurred, but not yet applied to Kirkland’s advance payment retainer, Kirkland’s total advance payment retainer always exceeded any amounts listed or to be listed on statements describing

⁸ The Engagement Letter permits Kirkland to retain any prepetition advance payment retainer held by Kirkland as of the Petition Date rather than applying such prepetition advance payment retainer to pay postpetition fees and expenses. In light of the facts and circumstances of these chapter 11 cases, Kirkland will retain any prepetition advance payment retainer held by Kirkland as of the Petition Date and will not apply any such amounts to postpetition fees and expenses.

services rendered and expenses incurred (on a “rates times hours” and “dates of expenses incurred” basis) prior to the Petition Date.

17. Pursuant to Bankruptcy Rule 2016(b), Kirkland has not shared nor agreed to share (a) any compensation it has received or may receive with another party or person, other than with the partners, associates, and contract attorneys associated with Kirkland or (b) any compensation another person or party has received or may receive.

Statement Regarding U.S. Trustee Guidelines

18. Kirkland shall apply for compensation for professional services rendered and reimbursement of expenses incurred in connection with the Debtors’ chapter 11 cases in compliance with sections 330 and 331 of the Bankruptcy Code and applicable provisions of the Bankruptcy Rules, Bankruptcy Local Rules, and any other applicable procedures and orders of the Court. Kirkland also intends to make a reasonable effort to comply with the U.S. Trustee’s requests for information and additional disclosures as set forth in the *Guidelines for Reviewing Applications for Compensation and Reimbursement of Expenses Filed Under 11 U.S.C. § 330 by Attorneys in Larger Chapter 11 Cases Effective As of November 1, 2013* (the “Revised UST Guidelines”), both in connection with this Application and the interim and final fee applications to be filed by Kirkland in these chapter 11 cases.

Attorney Statement Pursuant to Revised UST Guidelines

19. The following is provided in response to the request for additional information set forth in Paragraph D.1. of the Revised UST Guidelines:

a. **Question:** Did Kirkland agree to any variations from, or alternatives to, Kirkland’s standard billing arrangements for this engagement?

Answer: No. Kirkland and the Debtors have not agreed to any variations from, or alternatives to, Kirkland’s standard billing arrangements for this engagement. The rate structure provided by Kirkland is appropriate and is

not significantly different from (a) the rates that Kirkland charges for other non-bankruptcy representations or (b) the rates of other comparably skilled professionals.

- b. **Question:** Do any of the Kirkland professionals in this engagement vary their rate based on the geographic location of the Debtors' chapter 11 cases?

Answer: No. The hourly rates used by Kirkland in representing the Debtors are consistent with the rates that Kirkland charges other comparable chapter 11 clients, regardless of the location of the chapter 11 case.

- c. **Question:** If Kirkland has represented the Debtors in the 12 months prepetition, disclose Kirkland's billing rates and material financial terms for the prepetition engagement, including any adjustments during the 12 months prepetition. If Kirkland's billing rates and material financial terms have changed postpetition, explain the difference and the reasons for the difference.

Answer: Kirkland's current hourly rates for services rendered on behalf of the Debtors range as follows:⁹

| Billing Category | U.S. Range |
|-------------------|-----------------|
| Partners | \$1,080-\$1,895 |
| Of Counsel | \$625-\$1,845 |
| Associates | \$625-\$1,195 |
| Paraprofessionals | \$255-\$475 |

Kirkland represented the Debtors from July 24, 2020 to December 31, 2020 using the hourly rates listed below:

| Billing Category | U.S. Range |
|-------------------|-------------------|
| Partners | \$1,075 - \$1,845 |
| Of Counsel | \$625 - \$1,845 |
| Associates | \$610 - \$1,165 |
| Paraprofessionals | \$245 - \$460 |

- d. **Question:** Have the Debtors approved Kirkland's budget and staffing plan, and, if so, for what budget period?

Answer: Yes, for the period from February 10, 2021 through May 31, 2021.

⁹ While the rate ranges provided for in this Application may change if an individual leaves or joins Kirkland, and if any such individual's billing rate falls outside the ranges disclosed above, Kirkland does not intend to update the ranges for such circumstances.

Kirkland's Disinterestedness

20. In connection with its proposed retention by the Debtors in these chapter 11 cases, Kirkland undertook to determine whether it had any conflicts or other relationships that might cause it not to be disinterested or to hold or represent an interest adverse to the Debtors. Specifically, Kirkland obtained from the Debtors and their representatives the names of individuals and entities that may be parties in interest in these chapter 11 cases (the “Potential Parties in Interest”) and such parties are listed on **Schedule 1** hereto. Kirkland has searched on its electronic database for its connections to the entities listed on **Schedule 1** hereto. In addition, after Kirkland identified all client connections with the parties in interest over a specified time period, Kirkland circulated a survey email to all Kirkland attorneys who billed 10 or more hours to such clients during the prior six years. Further, beyond the individual emails, Kirkland sent a daily report of new matters firm wide. All Kirkland attorneys are responsible for reviewing the daily report of new matters and raising any potential concerns with respect to new representations. Kirkland received one affirmative response describing an engagement with Triton Investment Management Limited (“Triton”), which involved a review of Seadrill Limited’s debt. Kirkland’s engagement by Triton is disclosed on **Schedule 2**. I do not believe that Kirkland’s engagement by Triton precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code. Additionally, to the extent that I have been able to ascertain that Kirkland has been retained within the last three years to represent any of the Potential Parties in Interest (or their affiliates, as the case may be) in matters unrelated to these cases, such facts are disclosed on **Schedule 2** attached hereto.

21. Kirkland and certain of its partners and associates may have in the past represented, may currently represent, and likely in the future will represent, entities that may be parties in

interest in these chapter 11 cases in connection with matters unrelated (except as otherwise disclosed herein) to the Debtors and these chapter 11 cases. Kirkland has searched on its electronic database for its connection to the entities listed on Schedule 1 attached hereto. The information listed on Schedule 1 may have changed without our knowledge and may change during the pendency of these chapter 11 cases. Accordingly, Kirkland will update this Declaration as necessary and when Kirkland becomes aware of additional material information. The following is a list of the categories that Kirkland has searched:¹⁰

| <u>Schedule</u> | <u>Category</u> |
|-----------------|---------------------------------------|
| 1(a) | Debtor Entities |
| 1(b) | Current & Former Directors & Officers |
| 1(c) | Known Affiliates / JV |
| 1(d) | 5% or More Equity Holders |
| 1(e) | Bankruptcy Judges & Staff |
| 1(f) | Bankruptcy Professionals |
| 1(g) | Banks/Lenders/Administrative Agents |
| 1(h) | Bondholders / Indenture Trustee |
| 1(i) | Customers |
| 1(j) | Governmental/Regulatory Agencies |
| 1(k) | Insurance |
| 1(l) | Landlords |
| 1(m) | Lenders |
| 1(n) | Litigation |
| 1(o) | Ordinary Course Professionals |
| 1(p) | Top 30 Creditors |
| 1(q) | U.S. Trustee Personnel |
| 1(r) | UCC Lien Parties |
| 1(s) | Unions |
| 1(t) | Utilities |
| 1(u) | Vendors |

¹⁰ Kirkland's inclusion of parties in the following Schedules is solely to illustrate Kirkland's conflict search process and is not an admission that any party has a valid claim against the Debtors or that any party properly belongs in the schedules or has a claim or legal relationship to the Debtors of the nature described in the schedules.

22. To the best of my knowledge, (a) Kirkland is a “disinterested person” within the meaning of section 101(14) of the Bankruptcy Code, as required by section 327(a) of the Bankruptcy Code, and does not hold or represent an interest adverse to the Debtors’ estates and (b) Kirkland has no connection to the Debtors, their creditors, or other parties in interest, except as may be disclosed in this Declaration.

23. Listed on **Schedule 2** to this Declaration are the results of Kirkland’s conflicts searches of the above-listed entities.¹¹ For the avoidance of doubt, Kirkland will not commence a cause of action in these chapter 11 cases against the entities listed on **Schedule 2** that are current clients of Kirkland (including entities listed below under the “Specific Disclosures” section of this Declaration) unless Kirkland has an applicable waiver on file or first receives a waiver from such entity allowing Kirkland to commence such an action. To the extent that a waiver does not exist or is not obtained from such entity and it is necessary for the Debtors to commence an action against that entity, the Debtors will be represented in such particular matter by conflicts counsel.¹²

24. Of the entities listed on **Schedule 2**, only three represented more than one percent of Kirkland’s fee receipts for the twelve-month period ending on January 31, 2021. Abbott

¹¹ As referenced in **Schedule 2**, the term “current client” means an entity listed as a client in Kirkland’s conflicts search system to whom time was posted in the 12 months preceding the Petition Date. As referenced in **Schedule 2**, the term “former client” means an entity listed as a client in Kirkland’s conflicts search system to whom time was posted between 12 and 36 months preceding the Petition Date. As referenced in **Schedule 2**, the term “closed client” means an entity listed as a client in Kirkland’s conflicts search system to whom time was posted in the 36 months preceding the Petition Date, but for which the client representation has been closed. Whether an actual client relationship exists can only be determined by reference to the documents governing Kirkland’s representation rather than its potential listing in Kirkland’s conflicts search system. The list generated from Kirkland’s conflicts search system is over-inclusive. As a general matter, Kirkland discloses connections with “former clients” or “closed clients” for whom time was posted in the last 36 months, but does not disclose connections if time was billed more than 36 months before the Petition Date.

¹² Contemporaneously with the filing of the Application, the Debtors also are seeking to retain and employ Cravath, Swaine & Moore LLP as conflicts counsel pursuant to the *Debtors’ Application for Entry of an Order Authorizing the Employment and Retention of Cravath, Swaine & Moore LLP as Conflicts Counsel for the Debtors and Debtors-in-Possession as of the Petition Date*.

Laboratories is the parent company of Abbott Rapid Diagnostics AS, one of the Debtors' vendors, and represented more than one percent of Kirkland's fee receipts for the twelve-month period ending on January 31, 2021.¹³ I do not believe that any current or former representation of Abbott Laboratories precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

25. Thoma Bravo LP is the portfolio parent company of Kofax UK Ltd., one of the Debtors' vendors, and represented more than one percent of Kirkland's fee receipts for the twelve-month period ending on January 31, 2021.¹⁴ I do not believe that any current or former representation of Thoma Bravo LP precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

26. The Blackstone Group (together with its affiliates, "Blackstone") is the portfolio parent company of NIBC Bank NV, one of the Debtors' lenders, and represented more than one percent of Kirkland's fee receipts for the twelve-month period ending on January 31, 2021.¹⁵ I do not believe that any current or former representation of Blackstone precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

27. Kirkland's conflicts search of the entities listed on Schedules 1(a) – 1(u) (that Kirkland was able to locate using its reasonable efforts) reveals, to the best of my knowledge, that those Kirkland attorneys and paraprofessionals who previously worked at other law firms that represented such entities in these chapter 11 cases have not worked on matters relating to the Debtors' restructuring efforts while at Kirkland.

¹³ Specific percentages will be disclosed to the Office of the U.S. Trustee upon request.

¹⁴ Specific percentages will be disclosed to the Office of the U.S. Trustee upon request.

¹⁵ Specific percentages will be disclosed to the Office of the U.S. Trustee upon request.

28. Based on the conflicts search conducted to date and described herein, to the best of my knowledge, neither I, Kirkland, nor any partner or associate thereof, insofar as I have been able to ascertain, have any connection with the Debtors, their creditors, or any other parties in interest, their respective attorneys and accountants, the United States Trustee for the Southern District of Texas (the “U.S. Trustee”), any person employed by the U.S. Trustee, or any Bankruptcy Judge currently serving on the United States Bankruptcy Court for the Southern District of Texas, except as disclosed or otherwise described herein.

29. Kirkland will review its files periodically during the pendency of these chapter 11 cases to ensure that no conflicts or other disqualifying circumstances exist or arise. If any new relevant facts or relationships are discovered or arise, Kirkland will use reasonable efforts to identify such further developments and will promptly file a supplemental declaration, as required by Bankruptcy Rule 2014(a).

30. Generally, it is Kirkland’s policy to disclose entities in the capacity that they first appear in a conflicts search. For example, if an entity already has been disclosed in this Declaration in one capacity (*e.g.*, a customer), and the entity appears in a subsequent conflicts search in a different capacity (*e.g.*, a vendor), Kirkland does not disclose the same entity again in supplemental declarations, unless the circumstances are such in the latter capacity that additional disclosure is required.

31. From time to time, Kirkland has referred work to other professionals to be retained in these chapter 11 cases. Likewise, certain such professionals have referred work to Kirkland.

32. Certain insurance companies pay the legal bills of Kirkland clients. Some of these insurance companies may be involved in these chapter 11 cases. None of these insurance

companies, however, are Kirkland clients as a result of the fact that they pay legal fees on behalf of Kirkland clients.

Specific Disclosures

33. As specifically set forth below and in the attached exhibits, Kirkland represents certain of the Debtors' creditors, equity security holders, or other entities that may be parties in interest in ongoing matters unrelated to the Debtors and these chapter 11 cases. None of the representations described herein are materially adverse to the interests of the Debtors' estates. Moreover, pursuant to section 327(c) of the Bankruptcy Code, Kirkland is not disqualified from acting as the Debtors' counsel merely because it represents certain of the Debtors' creditors, equity security holders, or other entities that may be parties in interest in matters unrelated to these chapter 11 cases.

34. As disclosed on Schedule 2, Kirkland currently serves as restructuring counsel to Seadrill Partners LLC ("Seadrill Partners") and 28 of its affiliated debtors and debtors in possession (collectively with Seadrill Partners, the "Seadrill Partners Entities") in connection with their chapter 11 cases.¹⁶ Seadrill Limited is the controlling shareholder of the Seadrill Partners Entities. In addition, Seadrill Limited and certain of the Debtors are parties to shared service agreements with, hold claims against, and/or hold equity interests in, certain Seadrill Partners Entities. Seadrill Partners has filed an application to retain Sheppard, Mullin, Richter & Hampton LLP to represent them in all matters in which Seadrill Partners may have an actual or potential conflict with Seadrill Limited, in connection with the Seadrill Partners Cases. Further, the Debtors

¹⁶ On December 1, 2020, the Seadrill Partners Entities commenced chapter 11 cases in this Court, which are jointly administered under the case caption *In re Seadrill Partners LLC*, No. 20-35740 (Bankr. S.D. Tex.) (collectively, the "Seadrill Partners Cases"). For the avoidance of doubt, the Seadrill Partners Cases are not jointly administered with the Debtors' chapter 11 cases.

propose to retain Cravath, Swaine & Moore LLP to represent them in all matters in which the Debtors may have an actual or potential conflict with the Seadrill Partners Entities in connection with these chapter 11 cases, and are represented by Cravath, Swaine & Moore LLP, Slaughter and May, and Jackson Walker LLP in all other conflicts matters unrelated to the Seadrill Partners Entities. I do not believe that Kirkland's representation of the Seadrill Partners Entities precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

A. Connections to Officers and Directors.

35. As disclosed below and on Schedule 2, Kirkland currently represents, and in the past has represented, certain affiliates, subsidiaries and entities associated with the Debtors' current and recent former officers and directors. I do not believe that Kirkland's current or prior representation of the affiliates, subsidiaries, and entities associated with certain officers and directors precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

36. Gunnar Winther Eliassen, director of Seadrill Limited, has served, or may serve from time to time, in various management and/or director capacities of certain Kirkland clients or affiliates thereof, including Seadrill Partners. I do not believe that Kirkland's current or prior representation of clients for which Gunnar Winther Eliassen serves or served in management and/or director capacities precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

B. Connections to Bankruptcy Professionals.

37. As disclosed on Schedule 2, Kirkland currently represents, and in the past has represented, certain affiliates, subsidiaries, and entities associated with various professionals that the Debtors seeks to retain in connection with these chapter 11 cases. Kirkland's current and prior

representations of these professionals have been in matters unrelated to the Debtors or these chapter 11 cases. Kirkland has not represented, and will not represent, any such professionals in connection with any matter in these chapter 11 cases during the pendency of these chapter 11 cases. I do not believe that Kirkland's current or prior representation of these professionals precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

38. The Debtors' proposed restructuring advisor is Alvarez & Marsal North America, LLC ("A&M Advisory"). As disclosed on **Schedule 2**, Kirkland represents Alvarez & Marsal, Inc. ("A&M Inc."), Alvarez & Marsal Capital Partners, LLC ("A&M Capital"), AMCP Security Holdings L.P. / Centerra Group, LLC, Alvarez & Marsal Taxand UK LLP, and affiliated entities in matters unrelated to the Debtors and these chapter 11 cases. In addition, subject to the parameters discussed in the Kirkland Attorney and Employee Investments section of this Declaration, Kirkland person(s) have invested in one or more funds affiliated with A&M Capital. I do not believe that Kirkland's representation of these parties precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

39. On February 12, 2021, the Court approved Prime Clerk LLC ("Prime Clerk") as the Debtors' claims, noticing, and solicitation agent.¹⁷ Certain former Kirkland attorneys are currently employed by Prime Clerk. Though previously employed by Kirkland, any work provided by these former Kirkland attorneys was unrelated to the Debtors or these chapter 11 cases. As disclosed on **Schedule 2** attached hereto, Kirkland currently represents, and in the past has represented, Prime Clerk in matters unrelated to the Debtors and these chapter 11 cases. I do not

¹⁷ See Order Authorizing the Employment and Retention of Prime Clerk LLC as Claims, Noticing, and Solicitation Agent for the Debtors [Docket No. 43].

believe that Kirkland's current and prior representation of Prime Clerk precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

40. In addition to those listed above, the Debtors propose to retain the following professionals: PricewaterhouseCoopers LLP ("PwC") as the Debtors' auditor; Houlihan Lokey Capital, Inc. ("Houlihan") as the Debtors' financial advisor; Ernst & Young LLP and Ernst & Young LLP (Canada) (collectively, "EY") as the Debtors' tax advisor; and Slaughter and May ("Slaughter and May") as the Debtors' special corporate counsel. As disclosed on **Schedule 2**, Kirkland currently represents, and in the past has represented, PwC, Houlihan, EY, and Slaughter and May on a variety of matters. Kirkland's current and prior representations of these professionals have been in matters unrelated to the Debtors or these chapter 11 cases. Kirkland has not represented, and will not represent, these professionals in connection with any matter in these chapter 11 cases during the pendency of these chapter 11 cases. I do not believe that Kirkland's current or prior representation of these professionals precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

41. The Ad Hoc Group has retained Lazard Ltd. ("Lazard") as their investment banker, the Coordinating Committee of Secured Lenders and Agents has retained Moelis & Company ("Moelis") as their financial advisor, and SFL Corporation Limited has retained Paul, Weiss, Rifkind, Wharton & Garrison LLP ("Paul Weiss") as their legal counsel. As disclosed on **Schedule 2**, Kirkland currently represents, and in the past has represented, these professionals and certain of their direct or indirect affiliates, co-clients, client affiliates, and employees on a variety of matters. Kirkland's current and prior representations of these professionals have been in matters unrelated to the Debtors or these chapter 11 cases. Kirkland has not represented, and will not represent, these professionals in connection with any matter in these chapter 11 cases during the

pendency of these chapter 11 cases. I do not believe that Kirkland's current or prior representation of these professionals precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

C. Connections to Ordinary Course Professionals

As disclosed on Schedule 2, Kirkland currently represents, and formerly has represented, certain professionals and affiliates of professionals retained by the Debtors in the ordinary course of business (the "Ordinary Course Professionals"). The Ordinary Course Professionals include Deloitte LLP, Evercore Group LLC, KPMG LLP, Latham & Watkins LLP, Loyens & Loeff, PricewaterhouseCoopers Hong Kong Limited, and various of their respective subsidiaries and affiliates. Kirkland has not represented, and will not represent, the Ordinary Course Professionals in connection with any matter in these chapter 11 cases during the pendency of these chapter 11 cases. I do not believe that Kirkland's current or prior representation of the Ordinary Course Professionals precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

D. Connections to Vendors

42. As disclosed on Schedule 2, Kirkland currently represents, and in the past has represented, certain professionals and affiliates of professionals engaged by the Debtors as vendors (the "Vendors"). The Vendors include Cuatrecasas, Gonçalves Pereira & Associados, Sociedade de Advogados, SP, RL, Dun & Bradstreet Inc., McKinsey Recovery & Transformation Services, U.S., LLC, PricewaterhouseCoopers LLP Ontario, PricewaterhouseCoopers Consultores, Auditores y Compania Limitada, RSM International, and various of their respective subsidiaries and affiliates. Kirkland has not represented, and will not represent, the Vendors in connection with any matter in these chapter 11 cases during the pendency of these chapter 11 cases. I do not

believe that Kirkland's current or prior representation of the Vendors precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

E. Kirkland Attorney and Employee Investments.

43. From time to time, Kirkland partners, of counsel, associates, and employees personally invest in mutual funds, retirement funds, private equity funds, venture capital funds, hedge funds, and other types of investment funds (the "Investment Funds"), through which such individuals indirectly acquire an interest in debt or equity securities of many companies, one of which may be one of the Debtors, their creditors, or other parties in interest in these chapter 11 cases, often without Kirkland's knowledge. Each Kirkland person generally owns substantially less than one percent of such Investment Fund, does not manage or otherwise control such Investment Fund, and has no influence over the Investment Fund's decision to buy, sell, or vote any particular security. The Investment Fund is generally operated as a blind pool, meaning that when the Kirkland persons make an investment in the Investment Fund, he, she, or they do not know what securities the blind pool Investment Fund will purchase or sell, and have no control over such purchases or sales.

44. From time to time one or more Kirkland partners and of counsel voluntarily choose to form an entity (a "Passive-Intermediary Entity") to invest in one or more Investment Funds. Such Passive-Intermediary Entity is composed only of persons who were Kirkland partners and of counsel at the time of the Passive-Intermediary Entity's formation (although some may later become former Kirkland partners and of counsel). Participation in such a Passive-Intermediary Entity is wholly voluntary and only a portion of Kirkland's partners and of counsel choose to participate. The Passive-Intermediary Entity generally owns substantially less than one percent of any such Investment Fund, does not manage or otherwise control such Investment Fund, and has

no influence over the Investment Fund’s decision to buy, sell, or vote any particular security. Each Investment Fund in which a Passive-Intermediary Entity invests is operated as a blind pool, so that the Passive-Intermediary Entity does not know what securities the blind pool Investment Funds will purchase or sell, and has no control over such purchases or sales. And, indeed, the Passive-Intermediary Entity often arranges for statements and communications from certain Investment Funds to be sent solely to a blind administrator who edits out all information regarding the identity of the Investment Fund’s underlying investments, so that the Passive-Intermediary Entity does not learn (even after the fact) the identity of the securities purchased, sold, or held by the Investment Fund. To the extent the Passive-Intermediary Entity is or becomes aware of the identity of the securities purchased, sold, or held by the Investment Funds (“Known Holdings”), such Known Holdings are submitted to Kirkland’s conflict checking system.

45. From time to time, Kirkland partners, of counsel, associates, and employees personally directly acquire a debt or equity security of a company which may be (or become) one of the Debtors, their creditors, or other parties in interest in these chapter 11 cases. Kirkland has a long-standing policy prohibiting attorneys and employees from using confidential information that may come to their attention in the course of their work, so that all Kirkland attorneys and employees are barred from trading in securities with respect to which they possess confidential information.

F. Former Clerks.

46. The following Kirkland employees had clerkships in the United States District Court for Southern District of Texas during the last three years (together, the “Former Clerks”). I do not believe that the Former Clerk’s work for the Court precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

47. Mya L. Johnson is a Kirkland associate who clerked with the Honorable Stephen Smith, United States Magistrate Judge, for the Southern District of Texas, from August 2017 to July 2018. Ms. Johnson began working at Kirkland in September 2018, and had no connection with the Debtors' chapter 11 cases while working for that court.

48. Camille E. Peeples is a Kirkland associate who clerked with the Honorable Andrew S. Hanen in the U.S. District Court for the Southern District of Texas from 2018 to 2019. Ms. Peeples began working at Kirkland in September 2019, and had no connection with the Debtors' chapter 11 cases while working for that court.

G. Other Disclosures.

49. Finally, certain interrelationships exist among the Debtors. Nevertheless, the Debtors have advised Kirkland that the Debtors' relationships to each other do not pose any conflict of interest because of the general unity of interest among the Debtors. Insofar as I have been able to ascertain, I know of no conflict of interest that would preclude Kirkland's joint representation of the Debtors in these chapter 11 cases.

50. The spouse of Kirkland partner Helen E. Witt, P.C. is a managing director of JPMorgan Chase & Co. JPMorgan Chase Bank, N.A. and J.P. Morgan Clearing Corp. are among the Debtors' lenders. Out of an abundance of caution, Kirkland has instituted formal screening measures to screen Ms. Witt from all aspects of Kirkland's representation of the Debtors.

51. Kirkland currently represents, and formerly has represented, Bank of America, N.A. ("Bank of America") and certain of its affiliates, in a variety of matters. Bank of America is a lender in these chapter 11 cases. Kirkland's representations of Bank of America, in the aggregate, accounted for less than one percent of Kirkland's fee receipts for the twelve-month period ending on January 31, 2021. All of Kirkland's current and prior representations of Bank of

America have been unrelated to the Debtors and these chapter 11 cases. I do not believe that Kirkland's representation of Bank of America precludes Kirkland from meeting the disinterestedness standard under the Bankruptcy Code.

52. While at a previous place of employment, Alexander J. Nicas, a Kirkland partner, represented the official committee of unsecured creditors of the Seadrill Group in their prior chapter 11 cases. Out of an abundance of caution, Kirkland has instituted formal screening measures to screen Mr. Nicas from all aspects of Kirkland's representation of the Debtors.

53. While at a previous place of employment, Gabe Harley, a Kirkland associate, represented Danske Bank, an interested party in the Seadrill Group's prior chapter 11 cases. Out of an abundance of caution, Kirkland has instituted formal screening measures to screen Ms. Harley from all aspects of Kirkland's representation of the Debtors.

54. While at previous places of employment, Arthur Lotz and Jake Jung, a Kirkland partner and associate, respectively, represented agent banks in the Seadrill Group's prior chapter 11 cases. Out of an abundance of caution, Kirkland has instituted formal screening measures to screen Mr. Lotz and Mr. Jung from all aspects of Kirkland's representation of the Debtors.

55. Furthermore, prior to joining Kirkland, certain Kirkland attorneys represented clients adverse to Kirkland's current and former restructuring clients. Certain of these attorneys (the "Screened Kirkland Attorneys") will not perform work in connection with Kirkland's representation of the Debtors and will not have access to confidential information related to the representation. Kirkland's formal ethical screen provides sufficient safeguards and procedures to prevent imputation of conflicts by isolating the Screened Kirkland Attorneys and protecting confidential information.

56. Under Kirkland's screening procedures, Kirkland's conflicts department distributes a memorandum to all Kirkland attorneys and legal assistants directing them as follows: (a) not to discuss any aspects of Kirkland's representation of the Debtors with the Screened Kirkland Attorneys; (b) to conduct meetings, phone conferences, and other communications regarding Kirkland's representation of the Debtors in a manner that avoids contact with the Screened Kirkland Attorneys; (c) to take all measures necessary or appropriate to prevent access by the Screened Kirkland Attorneys to the files or other information related to Kirkland's representation of the Debtors; and (d) to avoid contact between the Screened Kirkland Attorneys and all Kirkland personnel working on the representation of the Debtors unless there is a clear understanding that there will be no discussion of any aspects of Kirkland's representation of the Debtors. Furthermore, Kirkland already has implemented procedures to block the Screened Kirkland Attorneys from accessing files and documents related to the Debtors that are stored in Kirkland's electronic document managing system.

Affirmative Statement of Disinterestedness

57. Based on the conflicts search conducted to date and described herein, to the best of my knowledge and insofar as I have been able to ascertain, (a) Kirkland is a "disinterested person" within the meaning of section 101(14) of the Bankruptcy Code, as required by section 327(a) of the Bankruptcy Code, and does not hold or represent an interest adverse to the Debtors' estates and (b) Kirkland has no connection to the Debtors, their creditors, or other parties in interest, except as may be disclosed herein.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Dated: March 8, 2021

Respectfully submitted,

/s/ Ross M. Kwasteniet
Ross M. Kwasteniet
as President of Ross M. Kwasteniet, P.C., as
Partner of Kirkland & Ellis LLP; and as Partner

| SEADRILL LIMITED, <i>et al.</i> , ¹ |) Case No. 21-30427 (DRJ) |
| |) |
| Debtors. |) (Jointly Administered) |
| |) |

**DECLARATION OF SANDRA REDDING,
IN SUPPORT OF THE DEBTOR'S APPLICATION
FOR THE ENTRY OF AN ORDER AUTHORIZING THE RETENTION
AND EMPLOYMENT OF KIRKLAND & ELLIS LLP AND KIRKLAND &
ELLIS INTERNATIONAL LLP AS ATTORNEYS FOR THE DEBTORS
AND DEBTORS IN POSSESSION EFFECTIVE AS OF FEBRUARY 10, 2021**

I, Sandra Redding, Senior Vice President, General Counsel, and Company Secretary, of Seadrill Limited being duly sworn, state the following under penalty of perjury:

1. I am the Senior Vice President, General Counsel, and Company Secretary of Seadrill Limited, located at 11025 Equity Drive, Suite 150, Houston, Texas 77041.
2. I submit this declaration (this "Declaration") in support of the *Debtors' Application for Entry of an Order Authorizing the Retention and Employment of Kirkland & Ellis LLP as Attorneys for the Debtors and Debtors in Possession Effective as of February 10, 2021* (the "Application").² Except as otherwise noted, I have personal knowledge of the matters set forth herein.

¹ A complete list of each of the Debtors in these chapter 11 cases may be obtained on the website of the Debtors' claims and noticing agent at <http://cases.primeclerk.com/SeadrillLimited>. The location of Debtor Seadrill Americas, Inc.'s principal place of business and the Debtors' service address in these chapter 11 cases is 11025 Equity Drive, Suite 150, Houston, Texas 77041.

² Capitalized terms used but not otherwise defined herein shall have the meanings set forth in the Application.

The Debtors' Selection of Counsel

3. The Debtors recognize that a comprehensive review process is necessary when selecting and managing chapter 11 counsel to ensure that bankruptcy professionals are subject to the same client-driven market forces, scrutiny, and accountability as professionals in non-bankruptcy engagements.

4. To that end, the review process utilized by the Debtors here assessed potential counsel based on their expertise in the relevant legal issues and in similar proceedings. Kirkland was retained by Seadrill Limited and certain of its debtor affiliates (the “2017 Debtors”) in connection with the 2017 Debtors’ chapter 11 proceedings brought before this Court, and is accordingly uniquely qualified to represent the Debtors. Ultimately, the Debtors retained Kirkland because of its extensive experience in corporate reorganizations, both out-of-court and under chapter 11 of the Bankruptcy Code. More specifically, Kirkland is familiar with the Debtors’ business operations and many of the potential legal issues that may arise in the context of these chapter 11 cases. I believe that Kirkland is both well qualified and uniquely able to represent the Debtor in these chapter 11 cases in an efficient and timely manner.

Rate Structure

5. In my capacity as Senior Vice President, General Counsel, and Company Secretary, I am responsible for supervising outside counsel retained by the Debtors in the ordinary course of business. Kirkland has informed the Debtors that its rates for bankruptcy representations are comparable to the rates Kirkland charges for non-bankruptcy representations. As discussed below, I and my team are also responsible for reviewing the statements regularly submitted by Kirkland, and can confirm that the rates Kirkland charged the Debtors in the prepetition period are the same as the rates Kirkland will charge the Debtors in the postpetition period.

Cost Supervision

6. The Debtors have approved the prospective budget and staffing plan for the period from February 10, 2021 to May 31, 2021, recognizing that in the course of a large chapter 11 case like these chapter 11 cases, it is possible that there may be a number of unforeseen fees and expenses that will need to be addressed by the Debtors and Kirkland. The Debtors further recognize that it is their responsibility to monitor closely the billing practices of their counsel to ensure the fees and expenses paid by the estate remain consistent with the Debtors' expectations and the exigencies of the chapter 11 cases. The Debtors will continue to review the statements that Kirkland regularly submits, and, together with Kirkland, amend the budget and staffing plans periodically, as the case develops.

7. As they did prepetition, the Debtors will continue to bring discipline, predictability, client involvement, and accountability to the counsel fees and expenses reimbursement process. While every chapter 11 case is unique, these budgets will provide guidance on the periods of time involved the level of the attorneys and professionals that will work on various matters, and projections of average hourly rates for the attorneys and professionals for various matters.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct to the best of my knowledge and belief.

Dated: March 8, 2021
London, England

Respectfully submitted,

/s/ Sandra Redding
